

BRANDING OPPORTUNITIES

The government approved ISO CR80 PVC card with patented features is sent to members via post and is affixed to a card mailer in the same fashion you receive your credit / debit cards. The mailer can be customized as well as the USB Flash Drive Membership Card.

USB FLASH DRIVE MEMBERSHIP CARD

OVER-THE-COUNTER "OTC" MEMBERSHIP CARD

This plastic butterfly cut OTC hangar display comes standard with a stock membership card upon receipt. The "SCAN TO ACTIVATE" code gives a member instant access to register and activate their membership right from their handheld device(s). Desktop & Laptop accessibility is also available online.

Have your design team, or ours, create one that fits your business model with your branding and provided stock content / elements as needed.
